Dear Professors Grinin and Korotayev:

On behalf of the Harvard College Library, I wish to acknowledge and thank you for your gift received on September 17, 2007 of two books that you edited *Analyzing and Modeling Global Development* (Moskva: URSS, 2006), and; *Historical Dynamics and Development of Complex Societies* (Moskva: URSS, 2006). These books are a welcome addition to the Harvard College Library's Slavic collections.

Since 1638, Harvard has benefited from the generosity of friends, faculty, alumni and others interested in creating and expanding our library collections. The College Library makes every effort to add donated material to our permanent collections.

Thank you again for your interest in and support of Harvard's libraries.

Sincerely yours,

Bradley L. Schaffner
